

AROUND AGAIN

Ron Lynch Chalice (Apr 1968 as 'Am I Lost?', Revised 25 Apr 1986)

I travel in a circle,
walk around the block
Explain away my troubles
fill me full of talk
Around again, Around again
fill me full of talk

Am I dressed so funny
is my hair so long
I'm trying to make you happy
by singing you a song
Around again, around again
singing you a song

Around again, Around again
Maybe I am lost

I'm feeling rather happy
though I do not smile
I can't find what I'm searching
walk another mile
Around again, around again
walk another mile

We shall win, they shall lose
though now they are ahead
I know there have been battles
for I have friends who've bled
Around again, around again
for I have friends who've bled
