

Busy for the Rest of Your Life
Ron Lynch Chalice 4-19-86

Back when I was seventeen
All the girls were long and lean
I fell for the campus queen
That's how I found girls can be mean.

When I called her (on the telephone)
Said are ya' busy tonight
Well, she told me (in no uncertain terms)
I'm busy for the rest of your life.
I'll be busy for the rest of your life.
I'm busy for the rest of your life.
I'll be busy for the rest of your life.
I'm busy for the rest of your life.

My college days were not my best
Each woman there was like the rest
A business major I could never be
There was something else out there for me

When I tried for a date (with a sorority sister)
Said can you go out tonight
They always said (without a doubt)
I'm busy for the rest of your life.
I'll be busy for the rest of your life.
I'm busy for the rest of your life.
I'll be busy for the rest of your life.
I'm busy for the rest of your life.

Then Rock'n'Roll took hold of my soul
I played a concert at the Hollywood Bowl
Once I had that money and fame
The women wanted to play a new game
The campus queen (from days of old)
Came runnin' up to the stage
Said remember me (how she was bold)
Take me home to your place
I said sorry sweet cheeks but...
I'm busy for the rest of your life.
I'll be busy for the rest of your life.
I'm busy for the rest of your life.
I'll be busy for the rest of your life.
I'm busy for the rest of your life.
