Well I'm draggin' down the main street in my '57 Chevy, yeah
Well I'm draggin' down the main street in my '57 Chevy, yeah
Oh, baby, you're the cat's meow

I'm doin' sixty-five with my car in first gear, yeah
I'm doin' sixty-five with my car in first gear, yeah
Oh, baby, you're the cat's meow

(spoken)
You're tuff, baby, you're really swell
you're the choicest thing I think I ever saw

(sung)
Oh baby, you're the cat's meow

Well I'm doin' ninety-five with a bottle in my hand, yeah
Well I'm doin' ninety-five with a bottle in my hand, yeah
Oh, baby, you're the cat's meow

(spoken)
You're the bee's knees, baby
You're peachy keen
Let's do the Tulagi, the twist and the slide

(sung)
Oh baby, you're the cat's meow

(spoken - two distinct voices)
My car's faster than yours
Oh, yeah well I've got Mag wheels
MY car has a better paint job
MINE has a 409
MY WOMAN is even better than yours
My DOG is better'n your woman
I can drink more than you can
You can't drink shit
You wanna fight, mutha
Anytime you're ready
Lemme have another beer first
I'll buy
