

GO AWAY (AND RETURN - A SEQUEL)
Ron Lynch Chalice (Feb 1968, Revised 25 Apr 1986)

I know, that you won't love me tomorrow
For I know, that you don't love me today

CHORUS:

Why must you try to make me sad
You've never tried to make me glad
Go away, go away
Please don't stay

I know, that you will leave me this evening
No more, will you sleep in my arms

CHORUS

CHORUS 2:

Give me feeling, inside my brain
Give me feeling, make me feel insane
Give me feeling, make me glad
I need feeling and I need it bad

I met a girl with hair of gold
She gave me feeling, my blood ran cold
Her daddy said that boy's no good
He doesn't look like a good boy should
She has to do what her daddy says
so she said goodbye 'til another day

CHORUS 2
