

HEADLINES

Ron Lynch Chalice (May & Jun 1982, Revised 19 Apr 1986)

Are you ready for the headlines,
Are you tired of all the bad times
We've been building for the future
And we're ready for adventure

CHORUS:

We're on the move, yes we're on a roll
We're on the move, and we're in control

You can see us in the headlines
'cause we're ready for some hot times
We've been working hard forever
gonna make it now or never

BREAK

Get ready for the headlines
'cause you're gonna see some new times
Our time has come to make it
ain't gonna let nobody break it

CHORUS

Are you ready for the headlines
The time that's come is our time
Are you ready for the headlines
'cause we've had enough of hard times
Are you ready for the headlines
'cause we're headed for some new times
Are you ready for the headlines
Are you ready for the headlines
