

## **HOW TO TREAT A LADY**

**Ron Lynch Chalice 4-27-86**

You want to keep her in the kitchen  
Where she won't be seen  
You want to keep her in the bedroom  
All the times in between  
You want to keep her so dependent  
She can't think for herself  
When your not using her,  
You want her up on the shelf

### **CHORUS:**

You don't know how to treat a lady  
You don't know how to treat a lady  
You wonder why she drives you crazy  
You don't know how to treat a lady

You know you make her wear the clothes  
You like to see her in  
As long as she won't wear those clothes  
In front of other men  
You treat her like a little toy  
That belongs to you  
You've never asked a single time  
What she'd like to do

### **CHORUS**

You spend almost all your time  
Drinking with your friends  
She knows you bring them home with you  
But she doesn't know when  
You stumble in real late one night  
To see that she is gone  
And you can't for the life of you  
Think what you've done wrong
