

**MOVIN' ON**  
**Ron Lynch Chalice (Jul 1982, Revised 25 APR 1986)**

Little lady in the front row  
Tell me where do you want to go  
Little, bitty, baby blues  
Tell me what do you want to do

CHORUS:

'Cause I'm movin' on  
I'll soon be gone  
'Cause I'm movin' on  
Do you want to come along

Got to get you movin'  
Get you out of your seats  
Got to get you groovin'  
Get you up on your feet

CHORUS

You've got to make your mind up  
'Cause I'm leavin' town tonight  
Get home and pack your bags up  
'Cause it's gonna be all right

CHORUS

Little lady in the front row  
Tell me where do you want to go  
Little, bitty, baby blues  
Tell me what do you want to do
