

NON-EXISTANT
**Ron Lynch Chalice (Jun 1968 as "Shades of a Green Eclipse", revised 25
Apr 1986)**

Why doesn't she love me
Why can't she see
I feel so forgotten
Why must it be

CHORUS:

If I run and hide
Kill the pain inside
Trying so hard not to cry
Trying so hard not to die
If I run and hide
Kill the pain inside
Trying so hard not to cry
Trying so hard not to die
I'm non-existent in her mind
I'm non-existent in her mind

I'm torn and I'm shredded
by thoughts in my head
If she should forget me
I'd rather be dead

CHORUS

Go ahead and laugh
Make fun of my pain
My moments without her
will drive me insane

CHORUS (until fade)
