

ON MY MIND
Ron Lynch Chalice 5-28-86

Life can be so hard, and sometimes so cruel
And it's so hard to choose a path
But when I met you, I found a living jewel
and you taught me where I'm at
So when I think of you, I want to break all the rules
'Cause I know what I can find
When I'm not thinking of you, I'm still thinking of you
'Cause you're always on my mind

CHORUS:

Whenever you're not around, I'm missing you
and your eyes so soft and kind
For wherever I go and whatever I do
You are always on my mind

In the aftershock of being away from you
I sometimes feel quite stunned
I wander around often quite confused
and I want a place to run
So when I think of you, I want to break all the rules
'Cause I know what I can find
When I'm not thinking of you, I'm still thinking of you
'Cause you're always on my mind

CHORUS

When I look in the mirror, I see me and you
in the reflection clear and bright
I need to be with you in the deepest dark blue
of the evening and the night
So when I think of you, I want to break all the rules
'Cause I know what I can find
When I'm not thinking of you, I'm still thinking of you
'Cause you're always on my mind
