

THE SEDUCTION
Ron Lynch Chalice (Summer 1968)

After walking into a gun battle during a robbery in the Haight District - rlc

Philosophies of love
Guidance from above
Pacify the hatred that is wrong
It was a nice idea
A very nice idea
Nice until the "hippies" came along

Expound upon your mind
See what you can find
Turning on together off and on
It was a nice idea
A very nice idea
Nice until the pushers came along

Live the live you live
Give what you can give
But try as long as you can go on
It was a nice idea
A very nice idea
Nice until "spare-changers" came along

Show you have a choice
Rise and raise your voice
Demonstrate within a peaceful throng
It was a nice idea
A very nice idea
Nice until the riots came along
