

SEE INSIDE YOU
Ron Lynch Chalice 4-19-86

What you wear or what you drive
Doesn't make any difference to me
Your Revlon face or Calvin Klein's
Aren't what I need to see

CHORUS:

I want to see inside you,
where all your parts become whole
I want to be inside you,
to the deepest part of your soul

It doesn't matter what work you do
or where you go when you're done
I don't really need to know
if your tan's from a light or the sun
I don't care where you've travelled
where you've put your pins on the map
And baby, when I talk to you
I don't want to hear any crap

CHORUS (twice)

I don't care what designers
have their labels in all your clothes
When you drop them to the floor
it's the you that I want to know

CHORUS (until fade)
