

SEE IN YOU
Ron Lynch Chalice 5-3-86

You ask what do I see in you
You mean besides your incredible eyes
And the answers you give when I'm feeling down
That are always so kind and so wise

You ask what do I know of you
You mean besides your indelible smile
That entreats, excites and entices me
To stay for just another little while

CHORUS:

What I see can't be shown
In ten thousand years
What I know is that you own
All my hopes, my joys and fears

Our time together fills my dreams
With everything you do
and what I need can't be seen
By anyone but you

You ask me what do I see in you
There are so many things to say
I hear and smell and feel you
Every minute of every day

CHORUS

I feel that I have touched you
Though we haven't gone so far
I've dreamed that I could take you
On a trip among the stars

CHORUS

You ask what do I see in you
Look in my eyes, you'll plainly see
A harder answer to know
Is what you see in me
