

TAKE LIFE AND LIVE IT
Ron Lynch Chalice 4-19-86

CHORUS:

Take life, take life and live it
You've gotta take life and live it (yeah!)
Take life, take life and live it
You've gotta find somewhere to give it

I've got a real good friend,
who had three kids and two husbands
by the time she was twenty-one
She gets down
and depressed so often
and she wonders where her life lost its fun

So I try to help
with some jokes and compassion
tell her that it won't last too long
Every once in a while
I'll get out the old guitar
and strum a few bars of this song

CHORUS

I know a man
who hates what he's doing
every day from mornin' til night
Now more and more
he's callin' in sick
or usin' some other alibi

He's got to

CHORUS

CSECT:

Wake up, look into the sun
do your best to make it fun
sure you're tired, aren't we all
but if you let it, life can be a ball
