What'll you tell the people, Andrea  
When you come back from Chicago  
What'll you tell the people, Andrea  
When you come back in a shroud

Revelation in your mind  
Degradation you can find  
in your mind

CHORUS:  
Police and politics  
Hassles arise  
Police and politics  
and people die

The Gestapo has risen again  
the SS troops and Mayor Daly's friends  
beat my friends

CHORUS

INTERLUDE

Policeman's club  
is covered with blood  
the cameraman falls  
but his picture is taken

Revelation in your mind  
Degradation you can find  
in your mind

CHORUS

My friend died today

What'll you tell the people, Andrea  
When you come back from Chicago  
What'll you tell the people, Andrea  
When you come back in a shroud
