

Waking up Next To You
For Monica on our 9th Anniversary
© 2005, RLC

Waking up next to you, dear
Is the light that begins my day
And the sense of you so near
Helps to guide me on my way

Waking up next to you, love
Fills me with the things we share
The life I've been dreaming of
Is around me everywhere

Waking up next to you, friend
Helps me know just what to do
So our love will never end
I'm so entwined with you

Waking up next to you, wife
The scent of fresh cut flowers
You're the brightness in my life
And I love you more each hour

Happy 9th Anniversary
