

WORDS OR PICTURES
Ron Lynch Chalice (Aug 1970, Revised 25 Apr 1986)

I'd like to tell you how I love her
the kind of love that you can't see
I can't explain in words or pictures
How much her loving means to me

(chorus has no words)

A kiss that's placed upon my forehead
Helps me see a brand new day
But no amount of words or pictures
can help with what I have to say

(repeat chorus)

INTERLUDE

Perhaps this phrase
can help you to see
"when you're looking at her,
you're looking in me"

(chorus until fade)
